My favourite products

- **Olive oil**
Poggio del Gello is a lovely Italian extra virgin olive oil with a peppery flavour that is delicious in salad dressing.
- **Bread**
We get a great selection of mouth-watering breads from Il Valentino bakery on Grand Canal Quay, and the carrot cake from Stable Diet in Wexford simply flies off the shelves.
- **Food gifts**
I have given a few friends all they need to make their own sushi - the mat, seaweed, rice vinegar etc. Then, several weeks later, they ask me over to sample the results!

My business favourites

- **Chocolate**
I'm fond of a small square of Cocoa Bean's Dark Chocolate with Sea Salt - it may sound weird but it's amazing!
- **Entertaining**
I like to do something that doesn't keep me in the kitchen all night. Fresh pizza bases by Gianpiro De Vallier at the Artisan Pizza Co are ideal because guests can fix their own and they are ready in five minutes. And we stock them in Food Game - which is handy!
